Lissa, I'll take a look and try to resend the missing pages later today. And you are correct, EPA did not intend for DEQ to sign off on the plan.
Thanks.

Mary – It looks like everything came through except pages 18, 19 and 20 of the sampling plan (Part One A ended at page 17 and Part One B started on page 21) But I know we had received a copy of the sampling plan last week so, assuming it had not changed, there is probably no need to resend those pages.

Also, I noticed in part One B there still appears to be an approval page for DEQ to sign. I discussed this with Dennis last Friday and he said that EPA did not intend for DEQ to have to sign off on the plan. Is that still the case? Let me know. Thanks.

Lissa,
 I just resent the UAO in four parts - Part One A, Part One B, Part Two A, and Part Two B. Please let me know if these smaller files went through and if so that you can open them.
 Thanks.

Hi Lissa -

I just spoke with Mary Q and she will be sending you the UAO in 2 pieces. Since we're having so much trouble emailing it, could we ask you to get copies to Fredrick and Sheila Monroe? If that won't work for you, please let me know.

Thanks
